American Farmers in Lead.
It is said that American farmers use more paint on their buildings than any other farmers of the world. The people of this country paint every two years on an average, but in France, Holland and other European countries the painting is done on an average of every five years. Americans use more bright colors than any other nation.

How "Teetotaler" Originated.
Teetotaler, the term applied to an abstainer from all fermented liquors, originated with Richard Turner, an artisan of Preston, England, who, contending for the principle at a temperance meeting in 1833, asserted that "Nothing but te-te-total will do." The word was immediately adopted.

A MOTHER'S GRATITUDE

Many a Mother in Hopkinsville
Will Appreciate the
Following.

Many a strong man and many a healthy woman has much for which to thank mother. The care taken during their childhood brought them past the danger point and made them healthy men and women. Thousands of children are bothered with incontinence of urine, and inability to retain it is of times called a habit. It is not always the children's fault—in many cases the difficulty lies with the kidneys, and can be readily righted. A Hopkinsville mother tells how she went about it. Mrs. O. A. McElroy, 226 O'Neal avenue, Hopkinsville, Ky., says: "I gave my young son part of a box of Doan's Kidney Pills and I know they did him a lot of good. He used to have trouble from weak kidneys every night. One box of Doan's Kidney Pills was all that was needed to strengthen his kidneys. I consider Doan's Kidney Pills a fine remedy for kidney trouble and can highly recommend them."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

Duty.

One sound always comes to the ear that is open; it is the steady drum-beat of Duty. No music in it, perhaps—only a dry rub-a-dub. Ah, but that steady beat marks the time of the whole orchestra of earth and heaven! It says to you: "Do your work—do the duty nearest you!" Keep step to that drum-beat, and the dullest march is taking you home.—George S. Merriam.

Had Him Worrying.

"Alphonse," the American girl asked her titled husband one evening, "why have you been so strange and cold of late?" "Didn't you tell me last week that your father was falling?" "Yes—physically falling," she replied. "Oh!" and his look brightened. He heaved a sigh of relief. "Oh," said he, "that's all right, then! I thought it was something serious."—Princeton Tiger.

Courtesy Simply Kindness.

Courtesy is doing that which nothing under the sun makes you do but human kindness. Courtesy springs from the heart; if the mind prompts the action, there is a reason; if there be a reason, it is not courtesy, for courtesy has no reason. Courtesy is good will; and good will is prompted by a heart full of love to be kind.

Marvelous Memory.

One of the most astonishing mnemonic feats on record is recorded by John Wesley. "I knew a man about twenty years ago," writes Wesley, "who was so thoroughly acquainted with the Bible that if he was questioned as to any Hebrew word in the Old, or any Greek word in the New Testament, he would tell, after a little pause, not only how often the one or the other occurred in the Bible, but also what it meant in every place. His name was Thomas Walsh. Such a master of Bible knowledge I never saw before, and never expect to see again."
